CLOSED BOOK (3 Hours)

I. Company Research (15 Points)

You are applying for a job at a major international **Petroleum Company**. List the important information that you should “research” before you go to the interview. Don’t forget to mention CSR.

II. Resume Writing (20 points)

You are applying for a job as an **actor or actress for TV 7**. Prepare a one page resume listing all the major sections of the resume and all the important information that you think your new employer is looking for. You can **use your imagination** to fill in the details. You can **make up** any information as you like, but try to adapt them from your own experiences.

III. Writing a Thank You Letter (20 points)

- 3.1 Prepare a **Thank You Letter** to an **Assistant Manager of a 5 Star Hotel in Phuket**. Make sure you include all of the major sections of a Thank You Letter and how to make the company not forget about you. **(20 points)**

IV. Interview Preparation (40 Points)

4.1 List 5 things that you should carry into the Interview (Portfolio). **(5 Points)**

4.2 List 4 things that you should practice for the interview (i.e. how should you speak, fast or slow) **(4 Points)**

4.3 How should you dress for an interview? (both males and females) **(4 Points)**

4.4 You are applying for a job as the **Host of a Cooking Show on TV**. In the table below, fill in on the left side what the qualities the company is looking for and on the right side, the qualities that you have that make you qualify for this job. **(10 points)**

HOST OF A COOKING SHOW

Qualities Company is Looking For	Your Qualities/Skills/Activities

4.5 You are applying for a job as the **A Tour Organizer to Europe and Asia**. In the table below, fill in on the left side what the qualities the employer is looking for and on the right side, the qualities that you have that make you qualify for this job. (10 points)

Tour Organizer

Qualities Employer is Looking For	Your Qualities/Skills/Activities
	-

4.6 From Problem 4.5 above, give 3 examples of personal experiences or activities (at PSU or in your life) that show these qualities and make your suitable for the position. (7 points)

V. The Interview (25 points)

5.1 Choose from the following companies below. And select the position that you want to apply for. Answer the following interview questions. Make sure your answers fit the company and the position you are applying for.

1. **Chevron** – Assistant Manager, Process Engineer, Plant Supervisor
2. **Nestle** – Assistant Production Manager, Process Engineer, R&D Manager
3. **CP** – Production Manager, Product R&D Manager
4. **IRPC** - Assistant Manager, Process Engineer, Plant Engineer

5.1.1 Tell me about yourself. (60 seconds or no more than half a page)
(5 points)

5.1.2 What are your strengths and weaknesses? You can list 5 strengths and 3 weaknesses and give a personal experience that shows one of your strengths and one of your weaknesses. **(5 points)**

5.1.3 What special skills, knowledge, or experience makes you a good fit for our company? **(5 points)**

5.1.4 Why should our company hire you? (5 points)

5.1.5 Do you have any question? (5 points)

Congratulations! End of Exam! Happy New Year's 2012!!!
